

Floor Mounted Barriers

- Constructed of sturdy 11 gauge steel, formed into 12" tall x 6" deep barriers
- Side gussets on all units and support gussets on lengths 4' to 10'
- Anchor bolts and connecting hardware included for each section
- Powder-coated safety yellow for high visibility

Areas for install

Conveyor systems, machinery, production lines, self-standing equipment, mezzanines, and rack storage. Also works well as a pallet backstop.
